

Virginia • ALICE State and County Household Budgets 2021

Traditional economic measures underestimate the actual cost of basics. To better capture the reality of household costs in each Virginia county, United For ALICE provides budgets that are tailored by county and household type.

These budgets include **housing, child care, food, transportation, health care, and technology** (smartphone plan), **plus taxes** and a 10% **miscellaneous** category.

The ALICE Household Survival Budget

The Household Survival Budget reflects the minimum cost to live and work in the modern economy. This budget is the basis for determining whether households are above or below the ALICE Threshold by county.

In 2021, household costs in every county in Virginia were well above the Federal Poverty Level of \$12,880 for a single adult and \$26,500 for a family of four. Overall, household costs increased in Virginia between 2019 and 2021.
